Trimingham News

NEWSLETTER February 2018

The new hall is really taking shape with the area around the hall being slowly cleared and some preliminary land scraping done. Most of the work now moves inside, with underfloor heating and second fix electrics starting this week. Omnis, our contractor is still telling us that the handover should be early to mid-March which is very much in line with their contract program.

The trustee's and fund-raising group will be meeting soon to agree an opening weekend which will probably be in late April (we will need the site to dry out a little I think!) and to start the process of fitting out our new building.

Catch up with progress by checking with our website Trimingham.org.

- Thank You to everyone who supported our efforts throughout December, it was a very successful month.
- First a big thank you to all the Jam Jarers for their contributions towards the upkeep of our church. For those new to our village the Jam Jar Collection is a scheme where you put coins into a jam jar, or a container of your choice, any loose change that you have or £1 per week. Each quarter Dot calls round to collect your Jam Jar money.
- Is anyone interested in joining a Drama Group when we moved up to our new hall? The idea would be to put on two shows a year (only one in 2018) which hopefully would be a lot of fun and raise funds too. If anyone is interested, please contact Dot on 833249 (after 6pm).
- The 100 Club still has a few number available, please contact Myra on 833760 for further details.
- The Table Top will be on Sunday 4th February starting at 9.30am. Please come along, if only to have one of Liz's delicious bacon rolls
- Soup and Pud will be on Wednesday 7th February starting at 12.30pm, please book with Liz on 834965.
- Poppyland Ladies would like to thank Allan and Eva for printing the 2018 Programme. Unfortunately, Alan Robson is unable to give his talk on Wednesday 14th February, so instead Dot will be bringing forward her talk on Woven Silk Pictures.

- On Saturday 17th February there will be a Valentine Quiz with food. Food will be served at 6pm at a cost of £7.50 a ticket, including quiz. Please book with Liz on 834965
- On Wednesday 21st February it is Coffee Morning time starting at 9.30am (the January one raised £40). All proceeds are divided equally between the Pilgrim Shelter and the church.
- In the afternoon of Wednesday 21st February it will be Gardening Club starting at 2pm. Tony gave a very informative talk on the use of compost at the January meeting and the topic of the February talk is yet to be decided.
- Fund Raising Meeting is at 7pm on Wednesday 21st February.
- The February Lunch Club will be on 28th February, please again book with Liz on 834965
- There will be Murder Mystery Evening on Saturday 24th March (hopefully at our new hall) with food being served at 6pm. The funds raised from this event will be donated to the MacMillan Nurses, so not only can you have an enjoyable evening but also know that the proceeds will go to a good cause.
- It is now time to remind you all that the Yard Sale will take place on Sunday 1st April and the Dog Show on Sunday 8th April, further details in later Newsletters.

3 rd No 80	Mrs Penfold £5
4 th No 48	Miss L King £5

Table Top Sale for March is on Sunday 4th starting at 9.30pm.

- Also dates for your diary are:
- The Art Exhibition on Friday 27th to Sunday 29th April is usually held in the church; however, this year it will be held in our new hall. Not only because the light will be much better there but it will also be warmer. If you would like to exhibit paintings, photographs, sculptures etc. please contact Dot on 833249 (after 6pm) and she will let you have the necessary form.
- We are also planning to have a Flower Festival at our new hall over the weekend of Saturday 26th to Monday 28th May. The theme will be books that are based in Norfolk.

We hope to hold a Beetle Drive on Saturday 3rd March with supper. Details to follow on our website or phone Liz 834965.

ON 8th January we had the latest Parish Council meeting. Some information you may like.

Community Housing The representatives from NNDC have contacted local landowners in an endeavor to pinpoint some suitable and available land for these community houses. Once they get some feedback they will revert to us with the information. That will then be presented to all parishioners for further decisions if the concept is still acceptable.

Coastal Forum This is a committee that is organised by NNDC and we have representation. Some of the latest news is that the British Geological Society have been asked to carry out another survey of the cliffs. Information, as we get it, will be included on our web site.

Speeding through our village Coincidentally, whilst the meeting was going on a car overturned outside the church, a salutary reminder of just how dangerous speeding can be. We are in discussion with our new District Councilor to try and get the 30mph zone at the western end of the village moved from its current position to the bottom of the hill at Bizwell Farm. There was also discussion about moving the zone at the other end of the village to beyond the golf ball, if only to protect the Gimtingham lane road junction. Considering the accident outside the church we approached the police about setting up a Community Speed watch group and we have a PC coming to the next meeting to tell us how that works.

Please read the minutes from the meeting which are available on the PC web site.

Alec's Mardle

(Alec Reynolds was born in Trimingham in 1926 and has lived here all his life)

Dot came to see me, and she was carrying something in her hand. She said "What is this. I found it in a drawer in the Church." It was a carbarundum. It could have been my Dad's. When he used a scythe, he would have used it to sharpen the blade. When he mowed the Churchyard he used a scythe. It could be used to sharpen the hives of a hay cutter, a binder, and hives for cutting corn. The type of hives used now do not need sharpening. Sometimes you would have used it to sharpen a hook for hedging. The one Dot showed me had a wooden handle which was expensive. The one Dad used mostly for a hook did not have a handle.

Nature Notes

More seal stories this month.

A man had to be prevented from sitting his child on a baby seal at Winterton to take a photograph. It was fortunate that the mother seal was not around as there could have been a tragic end to this rash and stupid action with a wild animal.

On a lighter note a record 2700 baby seals were born this season at Blakeney, in contrast to the 25 first recorded in 2001.

Did you join in the RSPB great garden bird watch on 27th January? The society relies on thousands of volunteers throughout the country to measure the state of the countries bird population. I am writing this before then, but I am hoping to record small flock of jackdaws which have been visiting me for the past few weeks. I suppose on the day they won't turn up.

I saw my first snowdrops of the year in Sheringham Park and blue tits have already been seen examining nest boxes in Trimingham. On my walks around the village I have recently seen woodpecker, marsh harrier, buzzard, a large flock of mixed finches and a few deer.

Spring is now on the way, so we may hope for better weather.

Mac Marshall

Mundesley Pantomime this year is Snow White and the Seven Dwarfs. Directed by Ian Cashmore and produced by Pat Nearney. Over 50 people are involved in the production. Trimingham lad Dylan Wilson has a comedy part for the second year and Trimingham born and bred Shelian Olley plays the Norfolk Fairy for a 20th consecutive year.

Shows are nightly from Tuesday 13th February to Saturday 17th February. All at 7.30pm. Tickets are on sale at The Corner House Café in Mundesley (opposite Spar) from Monday 29th January, every day from 10am onwards. Adults £8 and children under 12, £4. All enquires telephone 07503 297602 or visit mundesleypanto.co.uk.
