Sunday 9<sup>th</sup> September and  
more details will be found in  
the September Newsletter.

# Trimingham News

## **NEWSLETTER August 2018**

### **Housing Need Survey**

You are hopefully all aware that discussion regarding the community housing project in Trimingham is ongoing and that a steering group, consisting of Trimingham parishioners who have expressed an interest to be involved, has now met on two occasions. One of the conclusions to come from these meetings is that we need to try and establish whether there is a need for such a housing project in the village. Information that we have from NNDC Housing Department supports the need, but we have to establish, by asking you. When you receive your next village newsletter it will include a housing need survey form which we would ask you to review, complete and return to the NNDC office in the envelope provided. There will be specific questions about housing need, as well as an opportunity for you to make general comments. We know there are some strong views on this topic! If you go to the NNDC web site, you can find a link to the community housing projects being managed by your district council, and the people who are responsible for this are always available for a chat.

<https://www.north-norfolk.gov.uk/tasks/housing-strategy-community-support/community-led-housing/>

- Hopefully you are managing to keep cool in the very hot weather we have had and that the grass and plants will pick up when we have had some rain. You never know by the time you read this we might have had some?
- The Slimmers Wild made £89 at their auction for Parkinson's and MS. Well done ladies.
- The Clairvoyant Evening on 19<sup>th</sup> July was well attended and enjoyed by all.
- The Poppyland Ladies enjoyed their Afternoon Tea at Overstrand Garden Centre and made some purchases as well. On 8<sup>th</sup> August they are going on a ride on the Bure Valley Railway from Aylsham to Wroxham as their annual outing.
- The Coffee Morning, although not very well attended, made £31 which is divided equally between the church and the Pilgrim Shelter. Why not come along and have a tea or coffee for 50p and have a chat and make new friends?
- At Gardening Club, Tony advised on several gardening subjects and that now was the time to start sowing some seeds such as pansies for the spring. The meeting on Wednesday 15<sup>th</sup> August will again be at a member's garden.
- On Saturday 18<sup>th</sup> August Fairdeal Antiques are holding an Antique Fair at Trimmingham Hall from 10am to 4pm; hot and cold refreshments will be available. Entry is 50p per person, but if you bring along your August Newsletter entry will be free for just one person.

3 <sup>rd</sup> No 10	Mrs J Briggs £5
4 <sup>th</sup> No 29	Mrs B Downes £5

## Parish council meeting Monday 9th July 2018

We had a very interesting council meeting this month! A resident's association has been formed in Gimmingham Road to protest against the County Council plans to give a lease to a company to set up a Glamping operation on the site of the youth camp site. This the first news that the Parish council had about this, and even our district councillor, Angie Tillet knew nothing. There are serious questions that need to be addressed by county, and your parish council will try and get answers to the many questions raised.

Community housing was discussed, and a questionnaire will be issued with the September newsletter. We need to establish the need, or not, in the village for some sort of community housing program.

Community speed watch program is ongoing. Volunteers are now waiting to get sp3 I fix training before starting the work.

We still push for a 20 MPH speed limit around the church area, even though County have said they see no need! There was another serious accident there the other night, with two cars being towed away.

NNDC have now agreed that the Pilgrim Shelter site will become one of the discovery points along the Deep History Coast route. Work should start over the winter for launch in spring 2019.

There were many other things discussed at the meeting. If you were not there, please visit the parish council web site where you can see a full copy of the minutes.

- On the weekend of 18<sup>th</sup> and 19<sup>th</sup> August it is the annual Church Weekend and the opening times are 10am to 3.30pm. There will be craft stalls in the church together with the history of the village. Refreshments will be served in the Pilgrim Shelter on both days and there will be more history in the shelter as well.
- Do you know anyone who can play the organ? We have been given an organ for Trimmingham Hall and would like to find someone who can play it. Please let Liz on 834965 or Dot on 833249 (after 6pm) know.
- At the August Table Top there will be a lot of clothes for sale at 50p per item; come along and bag yourself a bargain.
- **The September Yard Sale on Sunday 2<sup>nd</sup> September is coming up fast. Please let Liz know if you wish to be a Yarder and be included in the map on 834965.**

**WE HAVE BOOKED AN EVENING  
WITH PAT NEARNEY AND DANNY**

**SATURDAY 22<sup>ND</sup> SEPTEMBER**

**PAT AND DANS  
BIG NIGHT OUT**

The hall continues to attract new ventures and bookings

This October we are holding our first Trimingham Trosh. There will be a ploughing match on the field adjacent to the hall and in the hall we will have a model replication of Cromer High Railway Station in 1954. We would like to display local specialist cars/trucks and motorbikes. If you own one and would be willing to exhibit, please let Liz know, as the scale plan of the event is now coming together.

Contact Liz 01263 834965

### **Alec's Mardle**

(Alec Reynolds was born in Trimingham in 1926 and has lived here all his life)

Next I got to work at Ivy Farm Sidestrand. It was horse and tractor work and after a while it was all tractor. The machinery was converted for tractor use. We grew barley, oats, wheat, sugar beet, cauliflowers, cucumbers, peas, daffodils and tulips. The fields of corn were all cut with a binder, put in stacks and threshed. In later years it was all combined. I used all the machinery on the farm such as ploughing, drillings, combining etc. Daffodils were grown for the bulbs, also the tulips. The flower heads had to be picked at certain time before they died off. The cucumbers went to the pickling factory, also the cauliflowers. The peas were picked and sold at local shops. The sugar beet went to Cantley, some by train and some by road. There was also a big herd of Friesian cows, the milk went by road to the Milk Marketing Board at Norwich. I did the milking when the cowman had his day off or holiday. If the farm was busy the Farmer would do the milking so I could keep working on the land. Then I thought I would have a change of work

To be continued...
