Trimingham News

NEWSLETTER September 2018

Trimingham Housing Need survey

Included with this newsletter is a copy of the housing needs survey. You are aware that this subject has been discussed at some length, and that a steering group comprising Trimingham residents has been setup to establish whether the project has a future. Now is our chance to express our views and for us to establish whether there is a need for this community led housing project to move forward. Please be aware of the preferred closing date of the 21st September to return the forms.

Pilgrim Shelter

Most of the community events that were held in the shelter have now moved to the new hall, and that has been very successful. But the success of the new building has been achieved at the expense of the shelter, which is already starting to look somewhat forlorn! It has been confirmed that the outside area around the building will become a 'discovery point' which is part of the Deep History Coast Project being promoted by NNDC (more details to follow later this year), but that does not secure the fabric of the building. We are somewhat concerned that a winter without use will have a marked effect on the shelter, both inside and out. We are looking via the parish council at alternate uses, and there have been many suggestions about how it could be used in the future, but all of these ideas rely on two things. The first is making a decision we all agree with and the second is having people who will step up to help. Whatever is agreed will have to be driven by volunteers! There are some strong feelings in the village about this iconic little building and it now needs our help to allow it to move into its next role within our community. Please contact any of your parish councillors, details are on the council web site.

- The Church Open Weekend was very successful - Saturday saw more visitors than Sunday and the tombola in the church sold out both days. The refreshments at the Pilgrim Shelter were sampled by many. The craft stalls in the church and the history of the village displayed in both the church and the Pilgrim Shelter were enjoyed by all the visitors. Thank you to everyone involved for all their hard work.
- Fairdeal Antiques, who organised the Antique Fair on Saturday 18th August, donated to Trimingham Hall half of the entrance fees paid. They are holding another Antique Fair at the end of October.
- The Coffee Morning made £43.30 which was divided equally between the church and Pilgrim Shelter. Please pop in and meet your neighbours for an inexpensive drink and score for £1.
- The Poppyland Ladies enjoyed the trip on the Bure Valley Railway. They were picked up by Wright's Coaches from Trimingham Hall in a comfortable 22 seater coach and taken to Aylsham Station, where there was time for a look round and have a drink. The train then took them to Wroxham where they had just over an hour to look round and the coach got back to our hall about 3.30pm and the weather was not too hot. At the next meeting on Wednesday 12th September Jo Austin will give a talk on Mental Health which starts at 2.30pm. For further details contact Dot on 833249 after 6pm.
- Gardening Club met at Tony's, who gave us another tour of his wonderful garden. Thank you very much Tony and Yvonne for your hospitality. The next meeting on Wednesday 19th September will be at Trimingham Hall and starts at 2pm. All welcome.
- The bi annual yard sales take place on Sunday 2nd September, with table top and refreshments in both the Pilgrim Shelter and Trimingham Hall.

- The Dog Show will be at Trimingham Hall on Sunday 9th September, see details of the various classes further inside this newsletter.
- On Saturday 22nd September it is **Pat and Dan's Big Night Out** with fun and Norfolk Squit. Food will be served at 6pm and will be Norfolk Stew, Dumplings and a delicious dessert. Please book with Liz on 834965. The cost is £7.50 per person.
- We held a disco last Saturday and those who came had a great time, we hope to have a Halloween disco party on 27 October. Thanks to all the volunteers who made the event a success especially Joanna in the kitchen, Yvonne on raffle and Dot who organised the chocolate tombola and those who supported this event. Hope to see many homes having yard sales and attending the Fun Dog Show and Pat and Dans show on 22nd September. Tickets £7.50, including supper, from Liz or Linda.

The Norfolk Churches Trust holds an event each September to raise funds to maintain and repair the redundant churches in Norfolk, many of which no longer have villages around them, for example Crostwight and Little Witchingham, which both have wall paintings dating to the 14th century. The Trust keeps them open for visitors, as historic buildings free to everybody.

I shall be riding my bike and visiting as many as I can during Saturday 8th of September, and I usually manage between 20 and 30, so I am asking for sponsors for my endeavours. The last time I did it in 2016 I raised over 150 pounds.

I am putting sponsor forms in both the church and the new Village Hall, so you can read all about it and hopefully put your name down to sponsor me.

DOG SHOW

Sunday 9 September

Starting 9.30am with judging at 11am

**18 classes from prettiest bitch
to fancy dress dog and handler**

Rosettes from 1st to 5th place

**Well behaved Pet test and
Sausage game, 50p a go**

Singing group

Is there anybody in the village who feels they can organise a singing group? We are not after a choir, just a group of people to have an organised sing song. Great stress relief!

Trimingham Village Hall Trust

The first AGM for the trust will be held on Wednesday, 19th September at the new hall starting at 19.00. Please come, all welcome. Tea and biscuits will be provided.

Sorry about the notes for August not appearing, I was late sending it to Liz.

I reported that I had seen an albino guillemot on the groynes behind the Pilgrim Shelter, but it is no longer there in the large flock of up to 50 birds. I do have photos to prove this. I also reported that Tony Smith had found dead young kestrels at the bottom end of Middle Street within 3 days. They showed no sign of road or other injury so it is a mystery how they died. I also found a dead kestrel on the track to Blackberry Cottage last year at about the same time, only about 500 yards away. As none of the bodies were recovered we can't be sure of what killed them.

This month has seen the disappearance of swifts and most of the swallows and the rest of the migrants will be on their way in the next few weeks. They will be followed by the inward migrants from the North from the middle of September onwards.

There have been lots of butterflies around and I came across a silver washed fritillary (yes that's really its name) in Sheringham Park. These are not a usual find in Norfolk but have been found in recent years. Global warming anybody?

I also saw a peregrine falcon sitting on the wires not far from Coastguard Cottages on the 9th of August.

Following the recent rain my lawns are green again and the sugar beet is looking much healthier and the blackberries are at last starting to fill.

Mac Marshall.

The hall continues to attract new ventures and bookings

This October we are holding our first Trimingham Trosh. There will be a ploughing match on the field adjacent to the hall and in the hall we will have a model replication of Cromer High Railway Station in 1954. We would like to display local specialist cars/trucks and motorbikes. If you own one and would be willing to exhibit, please let Liz know, as the scale plan of the event is now coming together.

Alec's Mardle

(Alec Reynolds was born in Trimingham in 1926 and has lived here all his life)

continued:

I went to Norfolk County Council Highways. I started off working with different gangs doing new roads and widening some. In between I was roadman for the villages near home. Then I got a lorry. We had a hut on the back which the men travelled in. There were five in the gang which I was in charge of, and also the work that needed doing. We went around the villages every thirteen weeks doing pot holes, edging the road sides, footpaths, draining. Sometimes we would get an emergency call, that was most weekends or night time. Winter time it would be gritting and snow ploughing. When I first started we would have to go to Holt to get the salt, it was anytime from midnight onwards. My depot was at Holt where we would get the tarmac etc., also tools. I ended up at Stalham Depot.

to be continued...
