The next cafe church at Trimingham Hall will be on Sunday June 9th at which we will be celebrating Pentecost, sometimes called the birthday of the church.

We are calling it PENTECOST PARTY and picnic. So please if you would like to join us for lunch afterwards, could you bring your own picnic.

Drinks will be provided and cake!

Hopefully we'll have good weather so we can sit outside.

Thank you to the 47% of the parish who took the time to vote for us.

We hope to see you at the next meeting. Annual Parish Meeting Monday 20th May.

April has been a very busy month. The yard sales on Sunday 7th did not have good weather and one gazebo tried to take off in the wind, but that did not stop many intrepid buyers and profit was made both at Trimingham Hall and at the Pilgrim Shelter.

£100 was raised for our church.

The Fun Dog Show was a great success with funds raised for Dogs Trust and Trimingham Hall play ground equipment fund. With over 60 dogs making 240 plus entries it was a lovely, but cool day which all enjoyed. Thank you to everyone who helped, from Howard on the car parking, Judy on the entries (she was amazing), Matt, Linda, Dot, Paul and Terry sorting out the fabulous refreshments, (with the super sausages and burgers from Tim at Ludham Butchers). Joanna and Elaine selling on the popular chocolate Tombola, bric a brac and the sixty odd tomato plants kindly donated by Terry Edwards

The Art Exhibition had approximately 200 exhibits and Trimingham Hall looked splendid with a wide variety of paintings, photographs and pottery. A total of £539.65 was raised for our church. A big thank you to all the artists and workers in the kitchen and background movers and shakers etc. Without you the Exhibition would not have taken place.

At Poppyland on 10th April Dot gave a talk on Mauchlin Ware and the members were interested to handle the boxes. At Poppyland on 8th May the talk will be given by Coast Watch. Everyone welcome. Non-members £2 including raffle. 2.00pm for 2.30pm.

On Saturday 11th May there will be another Bingo Session to raise funds for our church. Eyes down at 7pm. £6 for 6 books, £3 for 3 books. Bar will be open.

Sunday 12th May there will be a Dragonfly Beads Craft Show from 10am to 4pm. A wide variety of Handmade Norfolk Crafts will be for sale. Free entry and parking, dogs welcome on leads. Refreshments will be available.

The Coffee Morning on Wednesday 15th May will be held at Pilgrim Shelter, starting at 10am. We look forward to seeing you there.

On Friday 17th May at 7pm there will be a Good Neighbours Scheme presentation, explaining how we can all help our neighbours. Co-ordinating with others, not just in Trimingham but throughout the Poppyland area, all are very welcome and we are lucky enough to have Boris Konoshenko from Swafield Hall playing our piano. Light refreshments will be on offer.

On the weekend 25th/26th/27th May there will be a Flower Festival at Trimingham Hall, from 10am to 4pm each day. Refreshments will be served. If you would like to exhibit a flower arrangement, please contact Liz 834965. The theme is holidays.

Thai Chi has been very successful and will resume on Wednesday 15th and Thursday 16th May at 11am. Pay when you come, just £5 a session. All levels welcome

The next social evening will be Wednesday 5th June, when the bar is open, and all are welcome to visit our fabulous venue

Alec's Mardle

(Alec Reynolds was born in Trimingham in 1926 and has lived here all his life)

Alec has not managed to write a Mardle yet, so this is a repeat from April 2012

Moles

My Dad, Frank Reynolds, used to catch moles, by traps in fields around Trimingham with his brother Percy. I can remember walking with him near Blackberry Hall and he stopped and watched a mole hill. He walked into the field and dug in his toe into the ground and flicked a mole out and killed it. He would take them home and skin them. The flesh could not be used and was buried. The skins were pegged out on a board to dry in the sun. When they were ready he put them in a Basildon Bond envelope box, as it was just the right size, and sent them by train to London where they were made into coats and hats.

Trimingham Community Housing Group - Steering group

- We had another successful meeting on the 1st April at Trimingham Hall and the following points were agreed
- the group now needs to be formalised so at the next meeting a chair and secretary will be appointed.
 - we had a very informative meeting with the Community Land Trust specialist at the end of February.
 - two potential sites have been identified and we are now seeking early advice from both NNDC and County Highways regarding suitability.
 - we will approach suitable housing associations to try and establish their willingness to work with us.
 - in all probability we will form a Community Land Trust. This organisation will initially consist of current steering group members who will help develop the project in the longer term and hope to involve many more Trimingham residents.
 - regular meetings have been agreed, and these will be monthly, second Monday. The next meeting will be the 13th May.
 - we will continue to use the Trimingham newsletter and our web site - trimingham.org to tell our community what is happening.
 - if you have any questions or need further information please contact a member of the steering group via Anna Clarke (NNDC) at anna.clarke@north-norfolk.gov.uk
- Your Trimingham Community Housing Steering Group members are: Pamela Hill, Jim Page, Elizabeth King, Carmel Leyland, Colin Dash, Terry Brown, John Harrod, Andrea Osbourne and Phil Berry.

Nature Notes for May

Sorry that April's notes ended halfway through. It was due to technological incompetence (mine).

The lack of rain goes on, slowing down the growth of crops and lawns. Fields are hardly greening over and potatoes in the field behind me show no signs even though they were planted weeks ago. However migrant birds have started to arrive.

I was in Suffolk for a week staying on my usual farm and the cows were still in their winter barns because Richard, the farmer, told me that there wasn't enough grass in his many fields and the stream flowing through was just a trickle.

I visited RSPB Minsmere several times and was able to photograph a bittern and a blackcap for the first time. I also saw snipe, treecreepers, woodpeckers, red deer and got a quick flash of a Cetti's warbler which I heard a number of times. They are known to be 'cryptic' ie they hide in bushes. I have seen them occasionally at Cley.

On my walks around the village I have recently seen whitethroats, swallows, larks, pipits on the cliff and two wheatears in the potato field at the top of Middle Street. Most times I see buzzards, skylarks and partridge, all of which I usually hear before I see them.

On the lake at Felbrigg a swan was sitting on a nest in the reeds. She has been sitting for about 2 weeks so the eggs are about due to hatch. They raised three young last year, so we hope for the same this year. On the bank near the bridge I found Red Campion and pale pink Cuckoo flowers or lady's smock, but sadly no cuckoos.

In my garden there are newly fledged blackbirds, sparrows, dunnock and goldfinches begging the parents for food and the pigeons and pheasants are raiding my greenhouse where I store the bird food. Last thing, keep your eyes open for butterflies such as peacock, speckled wood, orange tip, tortoiseshell and if you are lucky, a pretty yellow brimstone, I'm lucky. I've seen two.
