Morning Worship Overstrand 10am

**SOUP AND PUD
WEDNESDAY 5TH JUNE £5
CONTACT LIZ 834965
TO BOOK YOUR PLACE**

Trimingham News

NEWSLETTER June 2019

Trimingham Community Housing Steering Group

The Steering group had yet another meeting on the 13th May (it has now been agreed that we will meet once per month) and the following was agreed.

- A chairperson (Jim Page) and Secretary (Terry Brown) were appointed. It was agreed that these two positions would be regularly reviewed, and other members of the group given the opportunity to take these positions.
- Two sites for these houses are being proposed, Cromer Road and Middle Street. Early advice regarding these two sites has been provided by NNDC Planning office and has been received by the steering group.
- It was agreed that we would approach suitable housing associations with a view to have some first stage interviews at our meeting in July. This would be for exploratory discussions to gain as much information as possible at this early stage.
- We discussed the necessary skills that the steering group members would require and it was agreed that some training would be necessary. This will hopefully be arranged through NNDC office.
- We will also try and arrange a meeting with a NNDC planning officer to give us some more detailed information about planning requirements when developing Rural Exception Sites.
- It is important that the steering group communicate their progress with all Trimingham residents therefore all minutes will be placed on the village website - trimingham.org - and we will continue to publish these short updates to be included in the village newsletter.
- If you have any questions or need further information please contact a member of the steering group via Anna Clarke (NNDC) at anna.clarke@north-norfolk.gov.uk

- May has seen many new visitors to our hall with two elections and an evening explaining the concept of Good Neighbour Scheme, which we hope to as a village participate in, with the surrounding villages.
- The soup and pud on the first Wednesday of the month was not well supported, I think the busyness of April rather overshadow the event. Next one Wednesday 5th May at 12.30pm. Choice of three soups and desserts for a fiver!
- Parish council held their annual meeting and the council reconvened for the coming four years. The minutes are on our web site.
- The various exercise classes go from strength to strength with Thai Chi nearly filling the hall on Wednesday and Thursday mornings.
- We have a Free Water Colour course on Monday 24th from 10 to 12noon. If anyone is interested, please contact Liz or Linda to register.
- Flower festival last weekend was blessed with lovely sunny days. I hope you visited the hall and were like me amazed at the fabulous arrangements from people of the village and further afield. Photos on our web site.
- Alec of the Mardle would like to thank everyone who has enquired after his health. At the moment he is quite well. He has been writing his Mardle since March 2012 and has run out of steam and can no longer think of anything new to write. If anyone has any suggestions for topics, please let Dot know after 6pm on 833249. This month's Mardle is a repeat of May 2012.
- Sunday 7th July's Table Top is back to Trimingham Hall, plus car boot on the grass and Yard Sales through the village.

- Wednesday 5th June is a Social evening at the hall 7pm. Alongside free, come and try Table Tennis. Hope to see you there.
- Saturday 8th June a Made in Norfolk Craft Fair is at Trimingham Hall from 8.30am to 4.30pm. Admission free and in the evening Marc James will be singing. £7 per person on the door which will be open from 6pm. This event is raising money for Guide Dogs for the Blind. Licensed bar open plus food on sale.
- Sunday 9th June there will be a Pentecost Picnic Cafe Church. Refreshments from 10.30am and the service starts at 11am. Please bring you own picnic lunch for after the service.
- Poppyland enjoyed a talk by Mr Bunn of Coast Watch which was both informative and very entertaining. On Wednesday 12th June Ann Rowlands will be introducing the Poppyland Ladies to Quilting. 2pm for 2.30pm. All welcome. Non-members £2.
- Wednesday 19th June is Coffee Morning and for the foreseeable future it will be held at the Pilgrim Shelter starting at 10am. It has been moved to the Shelter as there is the Tai Chi class at Trimingham Hall, which starts at 11am.
- There is no meeting of Gardening Club on Wednesday 19th as the members are going on an outing.
- No cash bingo in June. Next time Saturday 13th July. Eyes down 7pm,

MARC JAMES
SATURDAY 8TH JUNE
TRIMINGHAM HALL
DOORS OPEN 6PM COST £7

Hi there

Just wondered if it would be possible to add something to the Trimmingham newsletter for June?

We are having our wedding reception at Trimmingham village hall on Saturday 29th of June and recognise that even though we will try and keep the noise to a minimum there may be some noise from the band that are playing, although this wouldn't go on too late. Wanted to give people a voice and prior warning to the event so as it can pass off without any surprise complaints on the day and if they did have concerns if they could raise them with me prior or let me make it up to them by offering a pint or two. Many thanks.

Tim Bonfield and Katie Lawn

Alec's Mardle

(Alec Reynolds was born in Trimmingham in 1926 and has lived here all his life)

Alec has not managed to write a Mardle yet, so this is a repeat from April 2012

Moles

My Dad, Frank Reynolds, used to catch moles, by traps in fields around Trimmingham with his brother Percy. I can remember walking with him near Blackberry Hall and he stopped and watched a mole hill. He walked into the field and dug in his toe into the ground and flicked a mole out and killed it. He would take them home and skin them. The flesh could not be used and was buried. The skins were pegged out on a board to dry in the sun. When they were ready he put them in a Basildon Bond envelope box, as it was just the right size, and sent them by train to London where they were made into coats and hats.

3 rd No 75	Mr L Croft £5
4 th No 25	Mr M Farrow £5

Nature Notes for June

Have you seen the peregrine falcons nesting on Cromer Church tower? You don't need to climb the 160 steps because there is a TV screen in the nave where you can watch them. They are due to hatch their 3 eggs around the end of May so June could be very interesting to watch developments.

I have been watching a pair of swans on Felbrigg lake which are now raising 5 cygnets, now about 3 weeks old, so far so good but also on one visit I saw 4 pike just lazing on the bottom near the dam wall. They were all about 2ft 6 inches long, plus a number of small ones around 4 inches long which could put the cygnets in danger.

On a visit to Sheringham Park I came across 4 newts in the pond in the Bower and mad a note to mention them but the next time there were too many to count. They are smooth newts, not great crested which I understand can be found at Holme Dunes near Hunstanton. There weren't any frog tadpoles, but they are known to be eaten by newts.

Swifts, swallows and both house and sand martins are here and feeding over various patches of water as well as dipping to drink during their rapid flight. They are wonderful to observe as they almost come to a stop over the pond surface, drop the open beak into the water for maybe half a second and are off again.

At Hickling I have seen a flock of a dozen little egrets plus 2 great egrets, and I heard reports of 4 of them so they might become resident as one over-wintered there. There were also reed warblers, willow warblers, great crested and little grebes, a bittern in flight and the star of the show, a crane slowly flying above the reeds with its 3 metre wingspan. A majestic sight.

I was asked if I would return to Sheffield to live and replied No, even though I lived on the northern edge of the Peak National Park. Later that day I was taking in my washing and I could hear 2 skylarks singing over the field and knew my answer had been justified, even more so a couple of days later when I heard a cuckoo calling from the direction of the pit on Middle Street.

A bonus of cycling round the lanes is that you see and hear a variety of creatures because you travel silently. Even on a short ride to Mundesley and back I often hear whitethroats, blackcaps, chiffchaff, skylarks and chaffinches. This year sadly I haven't heard yellowhammers since about March.

Thankfully we have recently had a few showers to help the lawns to grow. Boo.

Mac Marshall

Weekly and Fortnightly Events

All events in the new Trimmingham Hall

unless otherwise stated

Monday

1pm Whist afternoon. Cost just £2 includes play, refreshments and raffle. Players of all levels very welcome. Tel Liz 834965.
