NEWSLETTER December 2019

Trimingham Community Housing, Steering Committee

We have had two meetings this month, 8th and 11th. The purpose of the earlier meeting was so that we could welcome Debbie Wildridge, Development Officer of Locality (locality.org) who are advisers to such groups as ours and will prepare the Model Terms for our CLT. It has now been agreed that we will register our CLT as TRIMINGHAM COMMUNITY LAND TRUST, and this will probably be done very soon. The organisation will opt for a COMMUNITY BENEFIT SOCIETY, as this seems to be the chosen legal framework for most CLT's.

The second meeting was our usual monthly meeting and once again Neil Salisbury of Hastoe joined us to further the discussion around housing mix and plan. It was agreed that we would approach NCC Highways at an early stage to obtain their views on sight lines and site entrances.

We hope this community housing development, as it moves forward, meets with the general approval of you, Trimingham residents. In the new year there will be an opportunity at an open public consultation for you all to see the detail and speak with representatives of the housing association and members of this group. Alec Reynolds (who you all know!) is keeping up to speed with our work and has said

'I welcome this development for our village. It will help secure the future as we will give younger people the chance to return. If only this opportunity had been available to my generation!

There was a meeting at the Pilgrim Shelter on 11th November to discuss the future of Pilgrim Shelter. Please see insert inside this newsletter for further details. There will be another meeting at the Shelter at 6.30pm on Monday 16th December.

On Tuesday there is now a low impact class run by Georgie from 10am to 11am, so that main class is now from 11.00am to 11.45am.

Tai Chi on Wednesdays now starts at 10.30am, Thursday remains at 11am. There will be no Tai Chi on 4th/5th or 11th/12th December as the instructor is on holiday. The classes will resume on 18th/19th December, for one week and will recommence on 8th/9th January.

The Support Group are taking a break for a few months, but if you need someone to talk to, Maureen and Ginny will be at the end of the phone.

There will be no Craft Circle in December due to the Christmas Tree Festival starting on 14th December. It will start again on Friday 10th January at 2pm.

If you would like to put a Christmas Tree in the Christmas Tree Festival, it would be a great help if you could bring it along on Thursday 12th December between 10am and 3pm. Please remember battery lights only. This will give Dot time to complete the transformation of our church on Friday 13th. There will be mulled wine and mince pies together with a Chocolate Tombola in the church from 10am to 3pm and light Refreshments in the shelter on the 14th December only. The trees will be up until 3rd January. Please come along and collect your trees on Saturday 4th January.

Thank you to all the Jam Jarers for their generosity during 2019. The church funds are very grateful for your contributions. If anyone would like to be a Jam Jarer during 2020 the idea is that you have a jam jar or something else and put your change in each week or when you have some. Dot comes around every three months to collect it. If you would like any further details please ring Dot after 6pm on 833249.

**We wish everyone a
Happy Christmas
and peaceful
New Year**

Alec's Mardle

(Alec Reynolds was born in Trimmingham in 1926 and has lived here all his life)

The other day my cousin Tom had come to see me. He lives in Maidstone in Kent but he was born in Trimmingham. We got talking about old cars. He said that he went to a Vintage Car Show and he was talking about the different makes. He mentioned one that was called "All Days and Onions" which brought back memories because a farmer that farmed at Bizewell Farm had one of that make. His name was Mr Hicks. Nearly every time he went out in it he ran out of petrol. The most he used it for was to come up to the Trimmingham shop to get his cigarettes, which were Players. In later years I worked for him for about two years. He was a farmer well behind other farmers, drilling at harvest time - he would start when all the others had finished.

On Saturday 30th November Mynx Soul Band will be playing, doors open at 7pm. Tickets booked in advance £9 and on the door £10. Please contact Linda on 834349 for further details.

On 1st December The Broadland Youth Choir are performing a Christmas Concert from 2pm with light refreshments, cost £5 on the door.

The Gardening Club are having a Christmas Outing on 4th December; the next meeting will be on 15th January at the Pilgrim Shelter starting at 2pm.

On 7th December Fairdeal are holding at Antique Fair open at 9.30am entry fee 50p, half of which goes to Trimingham Hall.

On 8th December Liz will be holding a Table Top/Christmas Fair open from 9am. Further details from Liz 834965,

The Coffee Morning will be held on 11th December, please note that this is a change of week due to Christmas, starting at 9.30am; there will be a whisky raffle. Come along and enjoy some Christmas cheer. The Poppyland Ladies are also having their Christmas Lunch on that day as well.

The Christmas Lunch will be served on 18th December, starting at 12.15pm with pre dinner drinks.

Liz will continue the whist session throughout the seasonal holidays

There will no Soup and Pud on 1st January; but it will be held on 8th January instead, please contact Linda 834349 or Dot 833249, after 6pm, to book your place.

The AGM of Poppyland will also take place on 8th January starting at 2.30pm

If anyone you know puts flowers on graves could you, please ask them not to put flower wrappers or oasis in the garden bins? John has to come and help me out of the bins as my little legs wave about in the air trying to get them out. If they are found in the bins the Council will refuse to collect. Thank you very much for passing this along.

Report from Parish Council meeting 4th November

We had a good attendance from the village this month with several parishioners attending for what was a very interesting meeting.

We were joined at this meeting by Andreas Garcia of the British Geological Society and Kellie Fisher of the Environment Agency for a presentation on the work that is ongoing regarding surveying the Trimingham cliffs. The aim is to be able to predict rather more accurately the erosion, and for this information to be presented to the authorities. One example is the coast road, and it was agreed that we would make representation to NCC Leader for them to visit Trimingham during the roadshow that they are organising. Ed Maxfield gave his presentation and was pressed by Cllr Carpmael about the Gimingham Road land and the allocation of the revenue they received. This matter is one that will be put before NCC leader if he agrees to visit us as explained above.

We spoke about the footpath at the bottom of Middle Street, and the fact that the signage is not clear, and many walkers end up walking up the road. We will ask for additional signage.

Reviews of both the new hall and the Pilgrim Shelter. New hall working well with many events coming in the run up to the year end. There is a meeting at the Pilgrim Shelter on the 11th to discuss the future. The work to install the Deep History Coast discovery centre at the shelter is nearly complete. Once finished we will try and arrange an opening ceremony. Finance was discussed. Budget for 2020/21 agreed. The precept will remain as 2019/20.

Additional defibrillator training can be arranged if required. Please contact one of the councillors if you would like to partake.

Gimingham Road Land was discussed, and Cllr Carpmael, as said, is in correspondence with Ed Maxfield. James Kearns (Kearns Foundation) thanked all present for their support.

Cllr. Boatman attended a meeting at Norfolk ALC on Community Wellbeing and the Environment. This subject is very important issue for the future of us all and a Cllr Boatman will continue to represent the council on future meetings and report accordingly.

Next meeting is 20th January 2020 in Trimingham Hall, starting 7.00pm
