3 <sup>rd</sup>	No 65	Mr B de la Rue	£ 5.00
4 <sup>th</sup>	No 56	Mr R Turner	£ 5.00

We hope that you are all keeping well and free from the virus, but as they keep telling us don't forget to wash your hands. Now is a good time to catch up with all those jobs that you have been putting off or read that book that you have meant to for ages. If anyone has run out of books, please let us know your favourite authors and we will see what we can find and arrange delivery to you. As someone said to me recently the only thing to do is relax and enjoy catching up with friends by writing letters.

Due to Government guidelines we have had to cancel all events run by the Committee, i.e. Coffee Morning, Gardening, Craft, Media Sale and Lunch, Table Top, Soup and Pud for the foreseeable future. Whist has also been cancelled. For privately run events please contact the organizer to find out if it is going ahead.

The preloved clothing sale had plenty of clothes for sale but not many people came through the door to buy. However, we did manage to take £50.00 thanks to those who did come.

Gardens are beginning to look more colourful and I am sure you have noticed all the daffodils along my bank and the Church. I am having a lot of trouble with Sycamore seeds growing in great profusion so if anyone would like some seedlings please let me know.

The Poppyland Ladies were treated to a very entertaining talk by Di Reeve about Pantomime and was ably assisted by Tim. The next meeting on 8<sup>th</sup> April has been cancelled as Mrs Grimes from Hedgehog Rescue is doing her best to self-isolate. We will keep you informed about future meetings.

There are now some numbers available on the 100 Club, not only do you have a chance of winning, but you are also supporting our Church and Pilgrim Shelter. If you would like to join please contact Dot on 833249 but please after 6.00pm.

### **Alec's Mardle**

(Alec Reynolds was born in Trimmingham in 1926 and has lived here all his life)

I read recently that the Government is going to try and stop vehicles using petrol and diesel. This made me remember that during the Second World War even our local buses had to pull a small two wheeled trailer behind it which had a container of gas in it. The gas was used to run the bus.

There was a Harley Street specialist doctor, Dr Orpen who lived in Middle Street and he had to travel to London for his clinic and had his car converted to gas and the gas tank was in the boot.

His wife used to collect the money for War Bonds, a few pennies each week and when you had paid in £1 you got a Certificate and after 5 years it was worth One Pound 5 shillings.

## **The Fun Dog Show planned for Easter Sunday, 12<sup>th</sup> April, has now been cancelled**

### **THE ANNUAL ART EXHIBITON**

This annual event that raises money for our beautiful church, planned for the weekend of the 25 & 26 April, is another casualty of the Coronavirus. This will be postponed to later in the year.

We apologise to all those who have expressed a desire to exhibit their work. We hope you will all support us when things get back to normal.

Keep watch on the Newsletter for the change of date.

### **Nature notes for April 2020 – Mac Marshall**

The cold wind and rain are still with us and the birds are mainly lying low except on the occasional dry and sunny day.

An experienced countryman neighbour saw 2 magpie sized white birds fly over one morning in early March and after searching my books, we concluded that they possibly were 2 Great Grey Shrike, which winter here and one was seen down Gimingham Hill last March.

I was driving to Mundesley at 11.00am, when I saw 4 Muntjac strolling across the field behind Gaffer's repair shop. When I was clearing weed in my small pond, I pulled out a greyish ball of something which turned out to be a pair of mating frogs. They didn't seem to be unduly disturbed by my intrusion, so I replaced them and a couple of days later I had frog spawn, then several frogs and more spawn followed. My forsythia hedge is suddenly full of bright yellow blooms. It is an interesting bush in that, like blackthorn, it flowers before the leaves arrive. If you time it right you can cut long twigs a couple of weeks early and bring them indoors causing them to bloom earlier.

One afternoon behind Pilgrim Shelter I saw what I think were 4 eider ducks on the sea. They were quite far off but were too black and white to be anything else. They most definitely were not gulls.

2 people have mentioned a barn owl hunting at the top of Middle Street and I was lucky enough to see it one day when I was coming home by car, and another day I watched a buzzard being mobbed by crows in the quarry. It stood the harassment for a few minutes before flying towards the sea.

The spiky leaves of bluebell are now pushing through the dead leaves in the woods so it will soon be time for the 1000 or so Brent Geese, which were on Salthouse Marsh on my last visit to Cley, to depart north to their breeding grounds in the Arctic.

## Weekly, Monthly and Bi Monthly Events

All events, clubs, and other activities, both weekly, bi-monthly and monthly that take place at the Hall or Pilgrim Shelter are suspended until further notice.

The Management Committee are deeply disappointed by having to make this decision, but it is the right one in light of the government recommendations.

If you need help, do not be afraid to ask. Call anyone on the Committee and we will endeavour to assist.

Keep Well!

**STOP PRESS:** In light of the fact that the Mobile Library has been suspended, and the fact that we do have a load of books intended for the sale on Sunday 22 March, we will open the hall for an hour or so twice a week for you to go up and choose books/dvd's from those left out in the foyer and meeting room, We are suggesting Wednesdays and Sundays 10.00am-Noon. Please feel free to borrow whatever you wish.

For those of you who are not able to get up to the hall, we will still have them collected and delivered.

**The Premier Stores** in Mundesley have told us that they are quite happy to deliver any groceries residents might need during this period of self-isolation.
